January 2023

Bakewell Safer Neighbourhood Team

During the year of 2022, the Safer Neighbourhood Team held monthly surgeries within the Council Chamber at the Town Hall in Bakewell. These monthly surgeries gave an opportunity for members of the community from Bakewell and surrounding areas to visit and possibly speak to someone from an agency regarding a concern they have. This year the surgeries are taking place again with a later time between 5pm and 6pm instead of 10am to 11am. The first surgery was held on Monday 16th January with a good attendance from the community who raised concerns they had. The next surgery will take place on Monday 13th February, if you have a concern and wish to discuss it with an agency then please visit.

Officers from the Safer Neighbourhood Team and Dales Response located a stolen vehicle which had been reported stolen from Staffordshire Police area during the month of January in Bakewell.
If you witness suspicious activity please report this directly to the police.

The following advice comes after a few reports of people going door to door recently:

- LOCK - keep your front and back doors locked, even when at home
- STOP - are you expecting anyone?
- CHAIN - if you decide to open the door, put the chain on first
- CHECK - ask for the caller's ID and check it by phone

If you aren't sure on the person at the door, please contact us.
